

YHC Residents

Hi All!

We know that right now things can be stressful. When things are stressful we want to be with people we love and feel comfortable with, which can be difficult during social distancing.

When we are isolated, it can be difficult to get motivated and feel hopeful. These are normal reactions to what is going on in our country right now. We also acknowledge that while DHHS is raising the amount recipients are getting, and the government is providing stimulus checks, it doesn't mean that many people aren't still going to struggle, because what they are giving is not enough.

The Family Empowerment Program is trying its best to be there for you in as many ways as possible. We will continue to follow-up with residents to see what needs are present. If you haven't heard from us, it is because our contact information for you is not up-to-date, and we encourage you to contact us via text or call: Lia 734-985-0078 (New Parkridge), Yvette 734-547-5117 (Sauk Trail and off-site), and Mark 734-985-0868 (Hamilton Crossing).

Things that we are currently checking in on:

Technology needs. We will be continuing to call to find out if you have wi-fi access and access to a computer or tablet, in hopes of being able to provide these services to those who do not already have them.

We are also checking in on **basic needs**. We know that toilet paper, soap, cleaning supplies, laundry detergent, and other items are bare in the stores. We are trying to find creative ways to get these to you!

In the event that you are in need of food, please let us know!

Hope clinic (right across the street) continues to provide food and other needs, including baby items. Their current operating hours are: Monday, Wednesday, and Friday 9:30 am-12:00 pm distribution and Tuesday/Thursday from 12:30 pm- 3:00 pm.

Ypsilanti schools also continue to do food distribution to families with children at Parkridge Community Center on Tuesday and Thursday from 11am-1pm and 4-6pm.

Please stay safe and look for further communication from the Family Empowerment Program.

What is Social Distancing?

- **Social Distancing is the practice of reducing close contact between people to slow the spread of infections or diseases (this includes friends and family)**
- **Social Distancing measures include limiting large groups of people coming together, closing buildings and canceling events harmful to the public**

KEEP A 6-FOOT DISTANCE

-IN EVERY DIRECTION-

BETWEEN YOU AND OTHERS

Feel free to stop by any time!
We look forward to serving you.

To combat the spread of COVID-19 in Michigan, Governor Whitmer signed the “Stay Home, Stay Safe” executive order. For at least the next three weeks, all Michigan businesses and operations must temporarily suspend in-person operations that are not necessary to sustain or protect life, and all Michiganders must stay in their homes unless they’re a part of that critical infrastructure workforce, engaged in an outdoor activity, or performing tasks necessary to the health and safety of themselves or their family, like going to the hospital or grocery store.

YOU CAN:

- Go to the grocery store or pick up take-out food.
- Go to the pharmacy to pick up a needed prescription.
- Engage in outdoor activities like walking, hiking, running, biking.
- Go to the hospital or secure any care necessary to address a medical emergency or to preserve your health or the health of a loved one.
- Fill your car with gas.
- Return to Michigan to a home or place of residence from outside the State.
- Leave the State for a home or residence elsewhere.
- Walk your pets and take them to the veterinarian for needed medical care.

YOU MAY NOT:

- Leave the home to work unless your employer designates you as a critical infrastructure worker.
- Participate in any public gatherings.
- Visit someone in the hospital, nursing home, or other residential care facilities (with limited exceptions).
- Go to the mall or to restaurants.

BUSINESSES THAT REMAIN OPEN FOR IN-PERSON WORK MUST TAKE AGGRESSIVE STEPS TO MINIMIZE THE VIRUS’S SPREAD. THEY MUST:

- Promote remote work to the fullest extent possible.
- Restrict the number of workers present in-person on the job.
- Keep employees at least six feet from one another to the maximum extent possible and enabling social distancing for customers who are standing in line.
- Any other social distancing practices and mitigation measures recommended by the Centers for Disease Control.

Information around this outbreak is changing rapidly. The latest information is available at Michigan.gov/Coronavirus and CDC.gov/Coronavirus.

For those who have questions about the state’s actions to mitigate the spread of coronavirus, please call the COVID-19 Hotline at 1-888-535-6136 between 8AM - 5PM daily.

You Count! So Be Counted in the 2020 Census! **Michigan gets about \$3,000 per year for every person who is counted in the Census**

Your Census responses are **100% Secure & Confidential**

By law, your information **cannot be released to identify you or be used against you by any government agency or court**

- **Michigan needs every person to be counted; the Census determines funding for essential services for the next **10 years****
- **There is NO citizenship question on the 2020 Census**
- **The Census DOES NOT ASK for your Social Security Number**

YOU will help **essential Michigan programs** like Medicaid, Medicare Part B, SNAP, School Grants, Highways, Section 8 Housing, WIC, Health Care Centers, Child & Senior Food Programs, College Education Grants, Public Housing, Low Income Home Energy Assistance, Substance Abuse Treatment, etc. **get federal funding.**

YOU will help to **determine how many seats Michigan gets in Congress.**

YOU will help to **plan for future needs in your community**, such as housing, public transit, health services, employment & training.

On March 12, households will begin receiving official Census Bureau mail with information on how to respond to the Census. The mail will probably be addressed to "Current Resident" & has your unique **User ID code**. Fill out only one form per residence.

The Census form is Quick & Easy. You can complete it in 3 ways:

- 1. Online:** Go to **my2020census.gov** & use your computer, tablet or mobile phone. Enter your User ID Code or your address to begin.
- 2. By Phone:** You can call the Census Bureau and complete the Census over the phone.
- 3. By Mail:** You can request that a paper Census form be mailed to you.

You'll need the **name, age, birth date & race** of every person living in your home.

Online Census guides are available in **60 languages**. Phone support will be available in **13 languages**.
